The screenshot shows a web form with a navigation bar at the top containing tabs: 1. Basic Info (active), 2. Products, 3. Sub Events, 4. Add-ons, 5. Questions, and 6. Summary. The main heading is "Let's add your basic details". Below it is a section titled "Basic Information". The form includes a "Profile Image" section with an "Add Image" button. There are input fields for "First Name" (containing "Test") and "Last Name" (containing "Please enter..."). A "Birthdate" dropdown menu is set to "Please Select". A "Gender at Birth" field is set to "Male". An orange circle highlights the "Please enter..." text in the Last Name field.

8. Click the "Please Select" field.

This screenshot shows the same form as above, but with the "Birthdate" dropdown menu highlighted by an orange circle. The "Last Name" field now contains the text "User". The "Gender at Birth" field now shows two radio button options: "Male" and "Female". A new "Gender Identity" section is visible at the bottom, with a "Male" radio button selected.

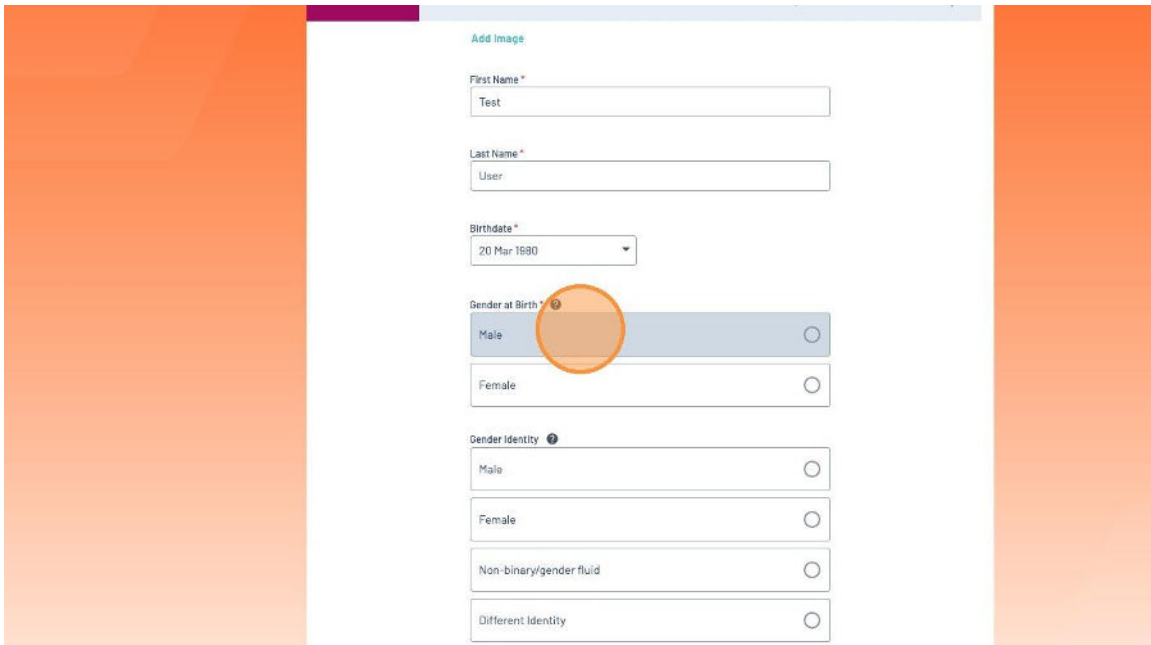

9. Click the "Please Select" field.

The screenshot shows a 'Basic Information' form with the following fields:

- Profile Image: A placeholder icon with a question mark and the text 'Add Image' below it.
- First Name *: A text input field containing 'Test'.
- Last Name *: A text input field containing 'User'.
- Birthdate *: A date picker field showing '11 Mar 2028', with a circular orange highlight over the date.
- Gender at Birth *: A radio button group with 'Male' and 'Female' options, both unselected.
- Gender Identity *: A radio button group with 'Male' and 'Female' options, both unselected.

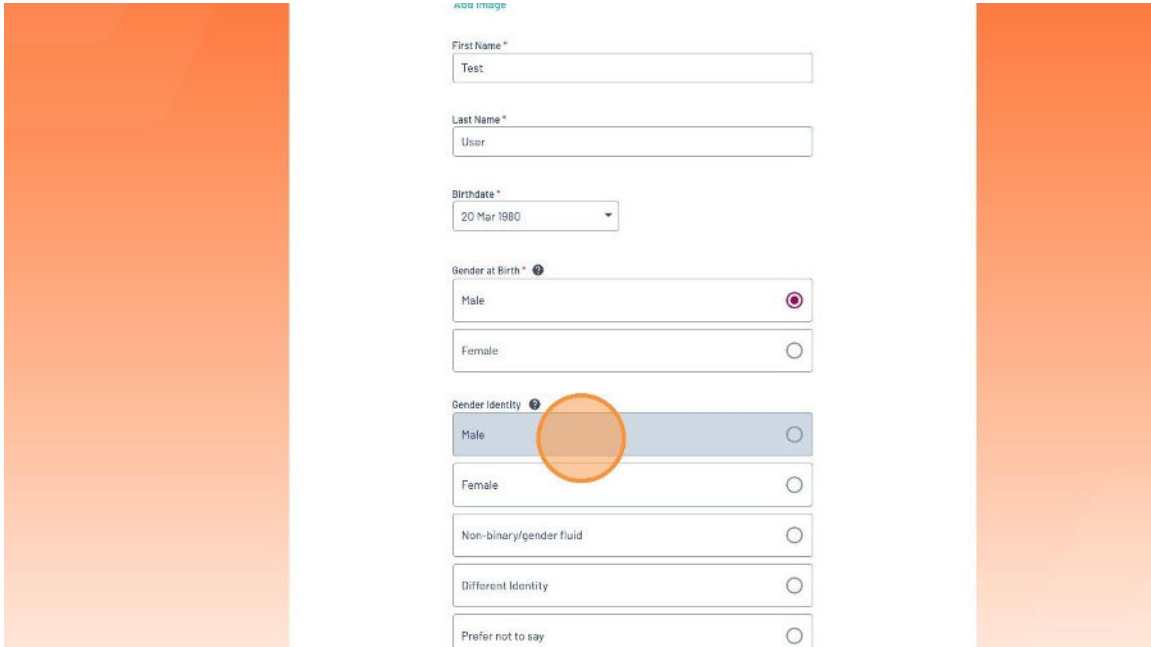

10. Click "Male"

The screenshot shows the same 'Basic Information' form, but with the following changes:

- Birthdate *: A date picker field showing '20 Mar 1990'.
- Gender at Birth *: The 'Male' radio button is now selected and highlighted with a blue background and a circular orange highlight.
- Gender Identity *: The 'Male' radio button is now selected and highlighted with a blue background.
