17 Sports. 7 days of celebration.
A community united by the gift of life.
An opportunity to say thank you.

The Australian Transplant Games are Australia's most inspiring sporting event. Transplant recipients, donor families, living donors and supporters all participating in their favourite sports in celebration of the gift of life.

From a stunning city parade and opening ceremony, to a memorable gala celebration, the Games promise a week of fun, excitement, reflection and gratitude.

LAUNCESTON

Pictured (Front): Heart recipient Mark with donor family the Barretts at Cataract Gorge, Launceston.

And it's all happening in the vibrant and historic city of Launceston – recognised as a UNESCO City of Gastronomy. Famous for its beautifully preserved colonial architecture, 'Lonnie' is the gateway to the beautiful Cataract Gorge, just a few minutes out of the city, and to the superb Tamar Valley, iconic Cradle Mountain and everything Tasmania has to offer.

Come for the Games, stay to explore Tasmania. It promises to be a Games like no other.
