2. Your Volunteering Role

Your rostered shift email is the source of truth for your role, date and time. Your final deployment communication will confirm the exact meeting point, supervisor and any transport arrangements. If anything changes, follow the latest instruction from the Volunteer Coordinator, Games Office or your event/sport coordinator.

Volunteer team	100+ volunteers supporting sport, special events, transport, registration, results, content and operations
Minimum age	16 years at the time of the Games
Required checks	Valid WWCC or State equivalent + agreement to Transplant Australia safeguarding requirements
General arrival	Please arrive prior to your scheduled arrival time – your shift briefing will commence at the shift starting time.

3. Key Contacts

Contact	Details	Use for
Volunteer Coordinator	Julie Edwards Julie.edwards@transplant.org.au 1800 827 757	Roster questions, running late, unable to attend a shift, volunteer support
Games Hub	1800 827 757 contactus@transplant.org.au 7:00am–7:00pm Hotel Grand Chancellor 29 Cameron Street, Launceston	Games-wide operational questions and escalation Central Games operations / nominated volunteer meeting point for selected roles
Emergency	000	Life-threatening emergency or urgent police/fire/ambulance assistance
Media	media@transplant.org.au	Media enquiries or requests for official comment

IMPORTANT

For an issue during a shift, speak to the Transplant Australia Staff or Sport Coordinator/supervisor onsite. If you are unsure who to contact, contact the Volunteer Coordinator or Games Office.

4. Rostered Shifts and Movements

Check your confirmation email carefully: role, date, shift time and venue/meeting point.

If you are also a Games participant and have been rostered on to a volunteer shift that clashes with an event you want to compete in, please advise Games staff as soon as possible. You cannot participate and volunteer at the same activity/time.

Travel

- Plan your travel and allow extra time.
- Volunteers are responsible for getting themselves to and from Launceston; accommodation and general travel are not provided.
- Local volunteers are assumed to have their own transport to and from their shift
- Travelling volunteers may request transport from the Games Hub (Hotel Grand Chancellor) to each venue daily if pre-organised with the Volunteer Coordinator.
- This transport would leave the Games Hub at 7:20am to arrive at the appropriate times.
- Do not assume the participant shuttle is available to you unless the Games team specifically confirms it, as these buses will arrive later than you would need to be at a venue for that rostered shift.

Clothing

- Please wear the Volunteer uniform provided to you for the entirety of your shift, ensuring it is as visible as possible.
- Wear comfortable, closed-in shoes. Outdoor roles may require weather protection. Wear layers.

What to bring

- Pack water, weather-appropriate clothing, sunscreen and any medication/personal items/ specific food items you may need.
- Ensure you have a charged mobile phone
- You will be provided a Volunteering Shirt and Hat to wear on shift. Please wear weather appropriate, neat pants/shorts and enclosed shoes.
- You will also be provided with a light snack per shift as per below.
- Some roles include long periods of standing, you may wish to bring your own chair
- Keep valuables and personal belongings to a minimum; secure storage is not guaranteed at venues.

5. Arrival and Registration Check-In

We are excited to welcome all volunteers and participants to Launceston from the 26th September 2026.

All volunteers receive a registration pack (including your Games accreditation pass) upon check in. These packs must be collected prior to your participation in any Games activities. Packs may be picked up by a friend or relative, if you give permission. If picking up a pack on somebody else's behalf – you will be required to provide a name and mobile number if picking up for another person as confirmation.

Games Registration Check-in Day on Saturday 26th September at St Luke Wellness Hub between 9:00am and 5:00pm. Access can be via 93 Cimitiere Street, Launceston TAS 7250 or via the carpark at 31 Cameron Street, Launceston TAS 7250

If you are unable to attend this day, Registration check-in is also open at the Games Hub within the Hotel Grand Chancellor from Sunday 27th September onwards between 7:00am and 7:00pm daily.

Upon collection of your registration pack you will also receive your Commemorative ATG26 Volunteering shirt and event accreditation, and your pre-purchased your transport passes, Gala Dinner tickets and pre-sale Games merchandise if purchased.

While you're at Registration check-in on the Saturday, take a moment to visit our partners Body Buddies and MedicAlert, and browse the fantastic prizes available in the Silent Auction. Launceston Harvest Markets' is also right next door from 8:30am to 12:30pm to enjoy your morning and get a taste of Launceston!

11. Role by Role Quick Guide

Working as a Team

While you have been appointed to a specific volunteer roles, we ask that all volunteers take a flexible and team-focused approach during their shift.

Your assigned role provides a guide to your primary responsibilities, however, there may be times when other tasks need attention. We ask all volunteers to be willing to lend a hand where needed, support other volunteers and help the overall event run smoothly, within your physical capabilities and limits.

Please check in with your On-Site Lead, follow their direction and work together as a team.

Role	Core responsibilities	Key considerations
Sport Coordinator	Collect sport information/medals; assist set-up; support Games Staff Lead in competition delivery, answer participant questions; facilitate medal ceremonies; complete post-competition report.	Be mobile throughout the venue; do not participate in the sport you coordinate.
Results Coordinator	Maintain accurate, confidential results; produce daily/final summaries and medal tallies; track event statistics; support communications/presentation teams; troubleshoot results systems.	Excel/Google Docs/results systems experience preferred.
Medals & Ceremonies Coordinator	Prepare medals; set up/pack down ceremony area; support official presentations.	Strong organisation and communication. Do not participate in the sport you coordinate.
Emcee / Announcer / Commentator	Make announcements, sponsor reads and provide energy/entertainment throughout the event.	Clear communication, pronunciation and organisation. Do not participate in the sport you coordinate.
Signage Crew	Prepare, deliver, install and pack down signage; assess weather conditions for necessary set-up structures; count/sort/return materials; manage waste/recycling drop-offs.	Manual work and driving. Assess weather and secure signage safely. Full licence required.

Transport Marshall	Check tickets; manage orderly waiting/boarding; answer questions; communicate with Transport Coordinator.	Outdoor role. Stay contactable by mobile and remain at your assigned stop unless directed.
Driver	Volunteer venue transfers in a mini-van; VIP movements in a small car; on-call Games driving.	25+; full valid licence and safe driving record. Vehicles and fuel provided.
Event Assistant	Set up and theme special-event venues; assist presentations/entertainers; support Special Events Manager.	May lift boxes and style tables; follow run sheets and instructions.
Event Usher	Wayfinding, entry directions and moving groups between areas.	Friendly, calm and clear communication.
Course Marshall	Support participants staying on course; report issues; assist road crossings where applicable; wayfinding; reporting any incidents.	Outdoor in all conditions; role may involve sitting for the event. BYO chair if useful.
Sweep Team	Leave venue/course clean; redirect waste; collect signage/materials/equipment for return.	Walking and carrying potentially heavy, bulky or dirty items.
Registration / Accreditation Assistant	Greet participants; verify registration; assist check-in; distribute accreditation, packs and bibs; maintain accurate records; assist with office administration tasks.	Calm, organised and welcoming. Strong first impression matters.

13. Expectations, Safety and Conduct

Volunteers are the face of the Games. We ask all Volunteers to;

- Be welcoming, patient, respectful, and professional. Volunteers are often the first person a participant or family member approaches.
- Follow the direction of your coordinator, Games staff and venue staff. You may be reassigned during a shift when operational needs change.
- If you do not know the answer, do not guess. Find the coordinator or Games staff member who can assist.
- Respect the privacy and personal stories of transplant recipients, donor families, living donors and supporters.
- Do not make comments on behalf of Transplant Australia. Refer media enquiries and official questions to staff.

Safety is paramount

- Stay alert for hazards such as slippery/uneven surfaces, trip hazards, exposed wiring, moving vehicles, weather risks or damaged equipment.
- Report accidents, injuries, illnesses, hazards and unusual incidents promptly to your coordinator and medical/Games staff.
- Know where the nearest first-aid/medical support is located at your venue.
- For a serious or life-threatening emergency, call 000 and follow emergency instructions.
- Do not attempt to resolve conflicts, demonstrations, or security incidents yourself. Contact Games staff/coordinators.

Safeguarding & integrity

- All volunteers must comply with Transplant Australia's safeguarding requirements and applicable policies.
- Never be alone with a child or vulnerable person outside the role requirements and approved event arrangements.
- Follow the [National Integrity Framework and Games conduct requirements](#). Escalate concerns rather than trying to investigate them yourself.

If you observe any breaches of the Standards of Conduct, please report the breach to the Sports Coordinator for that day's event and to Games Office as soon as possible.

Transplant Australia conforms to the National Integrity Framework set out by Sports Integrity Australia. Please see www.transplant.org.au/sports-integrity/

15. Medical, Health and Wellbeing

The Australian Transplant Games are designed to provide an inclusive and supportive environment for all.

Safety comes first

The safety and wellbeing of participants and volunteers takes priority over competition, results, scheduling or completion of an event.

However, all participants are responsible for knowing your own health needs and participating within the advice provided by your treating medical team.

Before attending

Make sure you:

- understand any restrictions relevant to your participation
- bring your usual medications
- know how to access medical support
- stay hydrated and allow adequate rest between events
- tell the medical team if you are feeling unwell

If you are unwell, do not attend your shift and notify the Volunteer Coordinator/Games team as early as possible. Many attendees at the Games are immune-compromised and simple colds can have a big impact.

During your shift

Stop and seek assistance if you:

- feel unwell, become dizzy or faint
- experience unusual pain
- experience difficulty breathing
- sustain an injury
- feel unable to safely continue

Do not feel pressured to continue if you are unwell or push beyond your usual limits.

Medical support

Emergency: Call **000** for an immediate emergency.

ATG26 Honorary Medical Officer:	Dr Rohan Church
ATG26 Lead Physiotherapist:	Stuart MacDonald
ATG26 Medical & First Aid Services:	SafeTas - Hamish McGovern
Student Practitioner Team:	UTAS students and supervisors

The 2026 Australian Transplant Games Hub includes a **pop-up medical hub** from 7:00am to 9:00am and from 4:00pm to 7:00pm daily.

The Games Honorary Medical Officer will be on-call throughout the Games and based out of the Games Hub, Medical Hub when on-site or reached via the Games Office.

For primary health care needs, Launceston Medicare Urgent Care Clinic will prioritise Australian Transplant Games participants throughout the week as needed.

Physiotherapy and first aid services will be available on-site at selected sports and during Games Medical Hub morning opening hours for treatment and strapping support. Every 2026 Australian Transplant Games venue will have first-aid and AED available.

The Launceston General Hospital will provide assistance to all participants and spectators throughout the Games.

Incidents reports will be taken from every visit to the Games medical team for reporting purposes only. All medical information is treated as confidential and private.

Look after yourself

Area	What you should do
Hydration	Carry water and refill regularly. Outdoor roles may involve long periods in the weather.
Sun / weather	Hat, sunscreen and weather-appropriate clothing are strongly recommended for outdoor roles.
Breaks	Breaks are arranged according to shift length. Tell your supervisor if you are fatigued or need a break.
Food	A snack/meal is provided according to shift length. Bring additional food if required for dietary or personal needs.
Illness	If you are unwell, do not attend your shift. Notify the Volunteer Coordinator/Games team as early as possible.
COVID / respiratory illness	Stay home if sick, practise good hand hygiene and follow any current Games/venue requirements.
Accessibility	If you have an accessibility, mobility or other adjustment need, tell the workforce/volunteer team so arrangements can be made safely.

16. Communications

Important Event Updates

Games Staff will communicate Games-wide changes, including schedule updates and important venue, transport, weather or safety changes via the official [ATG26 Launceston WhatsApp channel](#)

Please download “WhatsApp” and **scan the QR** to receive these updates.

Visit australiantransplantgames.com for further information including results.

The **Games Staff** member on site is responsible for communicating sport-specific operational changes to participants and team managers when on-site mid-competition. Games Operations will communicate broader Games-wide changes.

Keep your phone charged for shifts where mobile communication is part of the role.

Transport Marshalls, Drivers and other mobile roles must remain contactable as directed.

If something changes, do not rely on an old message, printed schedule or memory. Check with your coordinator or the Games Office and follow the latest confirmed instruction.

Games Social Media

Connect, follow, and collaborate with us on social media:

- Instagram /transplantaus
- Facebook /transplantaustralia

Media at the Games

There will be a number of media outlets and photographers attending the Games. All approved and authorised media will be issued with a Games Media accreditation and media bib prior to arrival.

17. Accessibility & Inclusion

The Australian Transplant Games aims to ensure participants, families, supporters and spectators can participate and enjoy the Games. Best endeavours have been made across existing facilities to ensure accessibility through venue access, accessible parking, transport, toilets, changing facilities, communications and other access needs are met. If there is an issue, please speak to the Games staff or volunteers onsite for assistance.

18. Food & Hydration

Catering arrangements vary between venues and sports. Please refer above to each sport/activity for the food and hydration arrangements per venue.

Whilst all independent caterers have been made aware of all dietary requirements advised through the registration process, If you have a specific dietary requirement, please do not assume that a suitable option will be available at every venue.

Drink Bottles

All registered participants will be provided with an Australian Transplant Games drink bottle. You are encouraged to refill this bottle as frequently as possible and reduce the use of plastic bottles where possible.

Important

Participants who are immunosuppressed should take particular care with food safety. Follow Games catering guidance and avoid consuming food that has been left sitting out or is outside the recommended food safety controls. If you are unsure, ask the catering team or Games staff.

19. Spectating

Families and supporters are an important part of the Games. Where venue capacity and competition requirements allow, spectators are encouraged to come along and support athletes.

Please respect competition officials and athletes during play. Participation and celebration are the priority at this event.

20. Volunteer FAQs

Q: What if I am running late?

A: Contact your Volunteer Coordinator, Sport/Event Coordinator or Games Office immediately and give your estimated arrival time.

Q: Can I bring family or friends?

A: Spectators are welcome at many Games activities, but they cannot replace you on a volunteer shift. Volunteers must be pre-registered and rostered.

Q: Can I watch the sport?

A: Yes, when it does not interfere with your duties, safety or participant support responsibilities.

Q: What if I need a break?

A: Tell your supervisor and make sure your post is covered before stepping away.

Q: What if it rains or weather changes?

A: Report as rostered unless the Games team tells you otherwise. Check official updates and contact your coordinator if unsure.

Q: What if I find lost property?

A: Give it to your coordinator. It will be transferred to the Games Office according to the Games lost-property process.

Q: Who answers media questions?

A: You may speak about your own volunteer experience, but do not speak on behalf of Transplant Australia or the Event. Refer media enquiries to media@transplant.org.au.

Q: Where can I find the latest information?

A: Use the official [Australian Transplant Games website](https://www.transplant.org.au), your volunteer communications and instructions from your coordinator.

Q Where can I find out more about organ and tissue donation and transplantation?

- **DonateLife** - To find out more about organ & tissue donation and to register visit donatelife.gov.au
- **Stem Cell Donors Australia** - To find out more about stem cell donation, visit stemcelldonors.org.au
- **Transplant Australia** is the national charity supporting transplant recipients and their families; people on the waiting list, donor families, living donors, healthcare professionals and all those touched by organ and tissue donation. Transplant Australia is proud to host the Australian Transplant Games every two years. To find out more, visit transplant.org.au

22. Thank You

The Australian Transplant Games could not happen without volunteers. Your role may be behind the scenes, on a sports field, at a registration desk, on a shuttle stop or helping a family find their way – but every interaction contributes to the experience of the Games.

Transplant Australia will send out a post-event survey to gain your feedback and insights into the experience – we would be greatly for your feedback at that time.

Thank you for giving your time, energy and care to ATG26. We hope you have a memorable week and leave knowing you helped create something genuinely special for the transplant community.
